Chris

As you know from the kick-off meeting last week, FERC has engaged the contractor for FERC's Project 888 Initial Outfitting, Transition, & Commodities (IOT&C) **TALU**

TALU will need to interface with **Balfour Beatty, Perkins & Will, Shen, Milsom & Wilke, UCP Management, GHT…..** through-out the project. Would you like to add someone to the contact list from your company? I did the best I could going back through e-mails filling in the information I had.

Thanks

Phil
